## **Verse 1:**

Glory to God in the highest  
Let all the earth bring Him praise  
We are His sons and His daughters  
Bought with a price that we could not pay

## **Verse 2:**

Lord bring us back to our first love  
Fruit of the lips that confess Your name  
How we have so soon forgotten  
How great is the joy just to seek Your face

## **Pre-Chorus:**

True heart of true hearts  
Our Saviour, God above all gods

## **Chorus:**

How can we stand in Your presence and not be moved?  
In spirit and in truth we will worship You  
Set us apart and awaken our hearts again  
Bring these bones to life and lead us back to You

## **Bridge:**

Who the Son sets free is free indeed (x4)

## **Chorus:**

## **Tag:**

Bring these bones to life  
And lead us back to You  
Lead us back to You
