Verse 1:

Lord, You were sent to us to live and dwell
Incarnate King, Emmanuel
Defeating death You made a way
That all might live, that all might say

Half Chorus:

**Send us out and we will go
Where you lead, Lord we will follow
For Your Word it is a light unto our feet**

Verse 2:

Now You are sending us to be Your feet
To be Your hands to all we meet
To be the fragrance of Your Kingdom

Chorus:

**Send us out and we will go
Where you lead Lord we will follow
For Your Word it is a light unto our feet
So take our lives and have your way
A sacrifice of reverence and praise
All we are is all for You and for Your fame**

Bridge:

Holy Spirit, Come
Holy Spirit, Come
Holy Spirit, Come

Last Chorus:

**Send us out and we will go
Where you lead Lord we will follow
For Your Word it is a light unto our feet
So take our lives and have your way
A sacrifice of reverence and praise
All we are is all for You, all we are is all for You
All we are is all for You and for Your fame**
